OVER

Dear [redacted] Mike & Patsy,

This picture was taken at Vail last March -- we all had a great time

I think we should plan a re-union next year at Utah

Merry Christmas

MERRY CHRISTMAS

1984

Since Dwight is in Europe this week I guess I got to write your note this year.
This picture was taken last Christmas Eve. You can probably figure us all out if I tell you Ken is in the ski sweater.
We went back to Penn State for the 30th reunion & had a very nice time. I'd forgotten how beautiful it is in the spring.
Merry Christmas & Happy 1955.
